

Quality Policy

Policy Statement

This policy sets out the mission of Modern Façade Solutions Ltd. to provide products and services which meet or exceed the needs of our clients. To achieve this, we actively pursue excellence through improvement initiatives.

Scope & Objectives

- Establish and maintain a Quality Management System which satisfies the requirements of ISO 9001:2015
- Consistently provide products and services in a manner which will satisfy customer requirements in all respects.
- Implement appropriate actions to address risks and opportunities associated with interested parties and meet their needs and expectations.
- To consider climate change as part of the business strategy
- Ensure all company personnel are fully competent to carry out their duties.
- Strive to continually improve our services provided to customers, by means of setting quality objectives, performance reviews and corrective actions. These will be reported at the Management Review Meeting.
- Establish quality objectives at strategic and operational levels in the company, which can be measured and reported at the management review meeting
- Maintain Documented information as objective evidence to demonstrate compliance with the Quality Management System.
- To Control and continually monitor all projects undertaken.
- To Comply as a minimum, with statutory and regulatory requirements.
- To review the Quality Management System and the Quality Policy at planned intervals to ensure it is effective and achieving its intended aim.

Leadership

The Owner/Director of Modern Façade Solutions Ltd. Is fully committed to the above and actively encourages commitment from personnel at all levels of the company.
